Re: 2018 Door/Frame Replacements Project / R&A Project No. 1721

Mr. Mainelli:

Bid proposals for the 2018 Door/Frame Replacmenets Project were recieved on 28 February, 2018. A total of four bid proposals were received, and a copy of the bid tab is attached.

The lowest bid proposal received for the Base Bid was submitted from KE Flex Contracting at a price of $89,600. An alternate price was also submitted for $8,266 to replace Door #2 at North High School. The budget estimate for this project is $93,500.

KE Flex Contracting has performed construction services for the District in the past and has a good record of service. It is our recommendation that the District award the project to KE Flex Contracting for the Base Bid. We further recommend, as the budget allows, that the District accept Alternate No. 1 for the additonal price. The total contract amount with the alternate would be $97,866, and the price submitted by KE Flex remains the lowest with the alternate price included.

Sincerely,

J. Daniel Reinhardt, AIA
